

FISCAL NOTE

TO: Chief Clerk of the Senate
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: May 17, 1995

SUBJECT: **SB 1919**

This bill, if enacted, will allow a person who intends to conduct a home school to report such intention to the local superintendent later than August 1, but before September 1, by paying a penalty of \$20 per family for each week or portion thereof that notice is later. The superintendent shall have the authority to waive the September 1 deadline for good cause. Any person, official or agent of the local superintendent who receives the registration shall have the responsibility to provide the parent registering, certain information concerning the parents' rights.

The fiscal impact from enactment of this bill is estimated to be an increase in local government revenues from the collection of late penalties. A reasonable estimate of the increase cannot be determined but is estimated to be not significant.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
